

**Are you aware of an  
exciting home learning  
academy our school  
district offers?**

## **Bright Future Home Learning Academy**

**The Academy is a home study blended and hybrid program  
which will continue into the 2024-25 school year!**

- **This academy is for families seeking a flexible, personalized schedule.**
- **It is designed for students in grades 2-8 with parents designated as the primary home learning coach.**
- **Families will have a credentialed, supervising teacher who will assist in curriculum planning, classes, and student progress monitoring.**
- **In addition to academic support, students will have opportunities to meet on campus for community building, extracurricular activities, field trips, and small group support.**
