2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Vernon E. Greer Elementary School is committed to achieving academic excellence by implementing goal setting practices and capitalizing on learner talents and strengths to personalize learning. We strive to create a safe and welcoming environment which fosters the development of caring, responsible, and engaged learners that are prepared to meet the challenges of being citizens in a culturally diverse, technologically advanced, and scientifically progressive society. Our dedicated staff, supportive families, and generous community work collaboratively to build a bright future for all learners.

At Vernon E. Greer Elementary, we strive to...

Ensure that every child has equal opportunity for success by understanding and providing support for unique challenges and barriers.

Provide balanced, integrated, and rigorous academic experiences which capitalize on talents, strengths, and interests.

Use goal setting practices to achieve personal growth towards meeting or exceeding grade level standards in preparation for college and career.

Balance informational and literary texts, and deepen mathematical knowledge in order to develop powerful users of mathematics that positively impact the world, while fostering reading, writing, listening, and speaking skills in all subject areas.

Develop crucial life skills through social and emotional learning opportunities.

Participate in professional development as models of lifelong learning.

Acknowledge talents, strengths, and interests when collaborating as a professional learning community.

Communicate and collaborate with families so learners reach their greatest potential.

We are very proud of the many hours parents and community members provide to us each month. Parents are encouraged and welcomed to participate in the education of their children by serving on school committees or as classroom volunteers. We

2022-23 School Overview

are thankful for a very active and supportive Greer "Partners" in Education, English Language Advisory Committee, and School Site Council.

Individual strengths and talents are recognized. Teachers are committed to becoming strengths-based educators. Through strengths spotting activities, our primary learners identify talents that can be productively applied. Our intermediate learners complete the GALLUP Strength Survey to identify their top three talents. At Vernon E. Greer Elementary, educators are discovering their own talents and developing and applying strengths as they help learners do the same in learning and completing academic tasks to optimal levels of personal excellence.

The teachers and support staff at Vernon E. Greer Elementary are dedicated to student achievement towards meeting Common Core State Standards. Teachers, specialists, and administration collaborate on a regular basis to provide a personalized, standards-based education for all learners. Careful and precise data analysis of local and state assessments drive instruction.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Galt Joint Union Elementary held a Public Hearing in September 21, 2022 and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All learners, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Vernon E. Greer School facilities were originally constructed in 1992. Vernon E. Greer Middle school closed after the 2007-2008 school year. After renovations, Vernon E. Greer Elementary opened in 2008. The school is composed of 5 permanent classrooms, 26 portable classrooms, a multi-purpose room, a library, three playgrounds, a staff room, and an extended day classroom.

Measure K provided funding to remodel five classrooms and the primary restrooms. This project was completed in 2019. Funding was provided to repair and paint the exterior of all school buildings, replace air conditioning units, and install a new alarm system . These projects were completed in 2021-2022.

Cleaning Process

Administration works daily with the three full-time custodial staff to ensure that the school is maintained in order to provide for a clean and safe learning environment. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service. Highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	41	N/A	47	N/A	47
Mathematics (grades 3-8 and 11)	N/A	36	N/A	35	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Vernon E. Greer Elementary School parents and guardians play an important role in their child's education through participation in the following programs:

The School Site Council helps develop the School Plan for Student Achievement. The members monitor and evaluate the plan as well as other projects/plans that benefit the school. The SSC also facilitates communication between the school and community.

The English Learner Advisory Committee advises parents on the services available for learners who have limited English proficiency.

Greer "Partners" in Education is a wonderful parent organization that helps provide family activities with a focus on the educational success and academic achievement for all learners.

Parent volunteers support the classroom by assisting with classroom projects, planning activities, and helping with the overall success of the classroom.

Community volunteers support the classroom. District policy requires volunteers over the age of 18 to submit birth dates and Social Security numbers for a security check through the police department.

2021-22 Chronic Absenteeism by Student Group

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

2022-23 School Safety Plan

The Vernon E. Greer Elementary School Safety Plan was last updated in February 2021.

Student safety is a priority at Vernon E. Greer Elementary School. All gates remain locked throughout most of the school day with admittance to the campus only through the main office. Any visitor is required to check in at the school office. Visitors sign in and wear a visitor's badge during their visit. The district provides yard supervisors to our school to ensure that students are safe on campus before, during, and after school. Eight yard supervisors work before school and throughout the school day to monitor student safety in crosswalks, on campus, on the playground, and in the cafeteria. Staff meetings are held for yard supervisors which provide on-going training and address safety issues. All district employees wear a picture identification badge so that they can be clearly identified. School safety rules are well established and are enforced by all staff members.

The district has developed a comprehensive emergency plan in conjunction with the Galt Police and Fire Departments, which describes specific procedures for all types of emergencies. The plan is updated every fall and spring. Our school-wide "Emergency Handbook" outlines the plan of action for emergencies such as earthquakes, fires, floods and chemical spills. School sites have an evacuation plan and a shelter-in-place plan. These emergency drills are conducted regularly.

The district takes great effort to ensure that Vernon E. Greer Elementary School is clean, safe, and functional. To assist with this, the district provides three full time custodial staff to clean and maintain the school on a regular basis. In addition, school safety inspections are periodically conducted by the Schools Insurance Authority of Sacramento County.

2021-22 Types of Services Funded

Supplemental programs and services at Vernon E. Greer Elementary School that support and assist our learners include:

Vernon E. Greer is honored to be the recipient of State funds which provide for an after-school program. The After School Education and Safety Program (ASES) is held Monday through Friday from 2:30 pm - 6:00 pm and provides homework help, strategic academic acceleration, and enrichment.

We have a cadre of eight instructional assistants that provide additional instruction in foundational reading skills. The instructional assistants focus supports and interventions in our TK-3rd grade classrooms. However, depending upon the need, our instructional assistants provide intervention in the upper grades, as well. Our paraprofessionals are provided training throughout the year based on the needs of our learners. This training is completed by our district curriculum coaches.

The district provides funding for supplemental educational services (SES) related to our federal Program Improvement status.

The Bright Future Learning Center (BFLC) is utilized as an enrichment hub which offers and supports blended learning opportunities beyond the classroom.

Though school dropouts are rare in the elementary grades, enough knowledge exists to be able to identify the children who are at-risk of dropping out of school at a later age. Our social worker is responsible for various programs aimed at reducing or eliminating the high risk factors that interfere with learning. Our social worker provides support to our students and staff, support to our families, works with attendance intervention, and provides ongoing workshops.

Full-time Mental Health services began in February 2022. We are very thankful to have a mental health clinician at our site.

Full-time counseling services began December 2022. We appreciate the support this provides.

Health services are under the supervision of a qualified school nurse. Vision screening, hearing tests, first aid and health counseling are among the services. Our district nurse, along with our school health clerk, are available to address health problems that interfere with the learning process.

Professional Development

Professional learning is an important part of the planned school program at Vernon E. Greer Elementary School and the Galt Joint Union Elementary School District. Our teachers and support staff are committed to using research-based instructional strategies. The district provided three professional learning days for certificated staff during the 2022-2023 school year. Additionally, the district provided collaboration time following the professional learning days which allowed teachers were able to strategically make plans and reflect on their new learning.

Professional development has supported the successful implementation of the California Common Core Standards with a focus on personalization. Teachers and support staff are encouraged to attend learning events that cater to their personal learning needs. Our site leadership team plays an important part in the implementation of the personalization model and for increasing professional capacity. Staff learning events, strategic release days, and collaborative Wednesdays have been used for professional development opportunities.

New teachers and teachers seeking additional assistance are supported by Teacher Induction providers. They meet regularly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Fred Jones
