# Galt Expanded Learning

## Summer GEL 2024

The 2024 Galt Expanded Learning Summer Program enthusiastically kicked off on June 14th, serving Galt students across five sites through July 24th. Each day begins with a nutritious breakfast, followed by engaging activities that span educational, creative, and recreational interests. Students are treated to lunch and an afternoon snack to keep them energized throughout the day. The Expanded Learning Summer Program is a safe and welcoming place for students, providing a memorable and enjoyable summer filled with new experiences and friendships. We offer a range of enrichment activities including Field trips to local attractions, outdoor play sessions (while it's still cool in the morning), and our GALEP Horsemanship Program. We look forward to seeing our students thrive and grow throughout the remaining weeks of Summer GEL 2024.

## Student Meal Account

### Payment Center

Linqconnect.com has replaced k12payment center.com as the student meals online payment center. All student account funds have been moved to Linqconnect.com. School meals remain no charge to all students for the 2024-25 school year. The funds on a student's account may be used for purchasing an additional meal or snack bar items at McCaffrey Middle School. Please make an account for your students on the linqconnect.com site. You will need to have your student's district ID number. If you have questions or need assistance please email Food-nutrition@galt.k12.ca.us.

## Synergy

### Student Information System

Next school year, the District will be electronic for the parent information guide and the various forms parents are required to complete at the start of the school year. Beginning in August, when you log into Synergy you will be prompted to update your student's information and complete required forms. You will not be able to access the other components of Synergy until these steps are completed. For access to Synergy, call or visit your child's school office. Offices will reopen for the 2024-25 school year on Thursday, July 25th.
