They were part of the 100 students who were invited to compete. While they didn't make it to the final four teams, students enjoyed the whole experience of competing, meeting new people, and getting the royal treatment by the Sacramento Kings and Golden 1 Center. Please join us in congratulating Elise Fewell, Madilyn Dolan, Berkeley Shamhart, Richard Geier, Daniel Crownover, and Elijah Gold.

## **BINGO Night at McCaffrey Middle School**

McCaffrey Middle School held their first annual Family BINGO Night on April 11th. This event was hosted by AVID and Leadership elective classes. Families enjoyed a night of food, fun, and community. Students practiced their professional communication skills as they went out into the community and collected many exciting fundraising donations. Assistant Principal, Elaine Trull was excited to call out BINGO numbers as players hoped to win the fabulous raffle prizes. The grand prize of the evening that created great enthusiasm was lunch with Principal Carlos Castillo. This event raised \$625 that will be used towards AVID and Leadership collaboration activities. Students look forward to scheduling this event in fall 2024.
