Staff Appreciation Week

As a District, we are celebrating our wonderful staff the week of May 6th. We have over 550 employees that work hard every day for our students, families and community.

Help us celebrate our staff by showing your gratitude.

There are many ways to show your school staff that you are thankful for all they do. It can be as simple as kind spoken or written words.

Ask your children to draw a picture or thank you card for school staff they are thankful for.

A little thank you goes a long way. Many school site parent clubs are organizing events for staff. Reach out to see how you can help!

Important Dates in May

- 6 - Staff Appreciation Week
- 9 - District Advisory Committee (DAC) - 3:30 pm
- 9- District English Language Advisory Committee (DELAC) - 5:00 pm
- 15 - Board of Education Meeting - 7:00 pm

Registration 2024-2025

The District is accepting registrations for the 2024-25 school year. You can register online, at any school site or the District Office.

- Enrollment in Kindergarten requires that a child be 5 years of age on or before September 1, 2024.
- Enrollment in Transitional Kindergarten requires that a child be 5 years of age between September 2, 2024 and June 2, 2025.

McCaffrey Middle School Color Guard Team

The McCaffrey Middle School Color Guard Team competed against 12 different schools in the Northern California Band Association Color Guard championships. They were victorious and were named champions of the competition. Additionally, Angela Romero received the outstanding performance award for the middle school division. This is the highest award given to a participant throughout the season. Congratulations to our McCaffrey Middle School Color Guard Team for representing McCaffrey so well. Thank you to our student athletes, coaches, teachers, and administrative staff for participating in and supporting student athletics.

River Oaks Elementary - Literacy Night

River Oaks Elementary school held its Literacy Night in April and it did not disappoint. Families were invited to come to the campus for a fun, interactive night enjoying different books, reading and completing activities together. This year's theme was 'Escape Room Style'. Families traveled to four different themed rooms and collected a stamp from each room when they completed their tasks (escaped). These fully transformed classrooms were decorated based on the book the families read in that room. After reading the book, families had to complete different literacy activities to escape the rooms. Once they finished, families finished in the cafeteria with their stamp card completed and kids rolled the dice for a prize. Our district's food services department was able to provide a free meal to all students who attended the event as well.
