- Project Updates

Marengo Ranch

After fifteen months of construction, Marengo Ranch Elementary modernizations are complete. The scope for this project included a complete exterior façade removal and replacement which included removing all brick pillars. Exterior building lights were replaced, bathrooms modernized, and the fire and intrusion alarms upgraded. Roofs were replaced or coated, dry rot was replaced, and all buildings and portales were painted.

River Oaks

Construction started in April and will be completed by August.
