Dear GJUESD Families,

The GJUESD is aware of a nationwide social media trend referencing potential violence at schools. While these posts reference a school shooting, we want to assure you that they **do not** specifically mention any schools in Galt or the Sacramento region. Law enforcement has confirmed that these posts are circulating online throughout the nation.

While we take any threat referencing schools seriously; we have been in contact with law enforcement and there is no credible threat to our schools.

We want to assure you that law enforcement is actively monitoring the situation. Our school administrators are aware of these posts and we will communicate immediately if we learn that there is any specific reason to believe our schools are at risk.

Many local school districts are also notifying their families of this information.

As always, immediately notify the district if you hear or see anything that is alarming or violates school safety protocols.

Sincerely,

Lois Yount
Superintendent
